Hmmm...

I'm so sorry everyone, been asleep most of the day, I'm pretty sure I've got omicron but I'm so grateful because I've had the 3 vaccinations and the symptoms are nothing worse than a nasty cold, which apparently will be gone in 5 days.

If I had not had the vaccinations, I'm almost positive I'd have ended up in hospital or dead because I'm not in the best of health anyway, chest-wise!

I'm very grateful for the vaccinations and the timing means I won't have to postpone my dental treatment either! (6th Jan next appt)

Honestly it's a win win. Ill just take it easy for the next week.

I'm really happy I've caught it now when I'm vaxxed to the max

But I am sorry I didn't keep my word to try and do a live video. Maybe for the best though, as I'd probably say things I'd regret, always happens when I don't THINK first! Which I rarely do.

Ill be back asap.

Love you all! (In an internet way!)
